PMC Hires Tim Newmeyer as Field Services Manager

LAKWOOD, NJ - August 14, 2017 - [Polyurethane Machinery Corporation \(PMC\)](http://www.polyurethane.com) is pleased to announce its recent hire of Tim Newmeyer, who will join the PMC team as Field Services Manager. In this role, Tim will promote and support all Service & Training efforts for distributors and contractors. He will support the Technical Services Manager and provide on-site and phone trouble-shooting to all end users.

All of Tim's responsibilities will be focused on the ultimate goal of achieving sales growth through training and service directly to the contractor. He will accomplish this by conducting personal field visits, market research, executing training programs and presenting recommendations to contractors. Working in conjunction with the Technical Service Manager, he will continually develop cohesive training strategies and products, specifically targeted to the contractors.

Tim joins PMC with a broad experience in technical service and equipment training from well-respected companies in the polyurethane industry for over 26 years. His knowledge of products and technical applications will play a significant role in leading the company to continued sales growth.

Bill Hrynkiwicz, Vice President of Marketing & Sales of PMC stated "We look forward to Tim joining the PMC team. We know that his experience and ambition will motivate our employees as well as our distribution network to collaborate and develop the business further".

Polyurethane Machinery Corporation (PMC) manufactures equipment and accessories for use in the urethane industry. At PMC, the service does not stop with the sale. PMC provides its customers with outstanding sales and technical service through a worldwide network of distributors.
